Issue 8- Week 6 - Term 2

04 May, 2025

Dear Parents & Caregivers,

SCR Pyjama Day

On Wednesday, 28th May, students from Lawson Public School participated in the annual Pyjama Day. It was a beautiful day at school, and it was so nice to have the chance to conduct our learning in our warm and cosy pyjamas. I would like to thank the SRC team for their organisation in preparing this awesome event, and I appreciate the many families who assisted in baking yummy treats for the school to sell.

Zoo Snooz – Stage 2

Stage 2 students will be heading out this week on the Stage 2 Zoo Snooz Camp. We wish them all the very best and look forward to hearing about their exciting adventures when they return.

King's Birthday Public Holiday

In 2025, the King's Birthday public holiday will be held on Monday, 9th June. Please note that the school will not be open to students and staff on this day. We look forward to commencing Week 7 on Tuesday, 10th June.

Stranger Danger

As part of our commitment to ensuring the safety of our students, we would like to remind everyone about the importance of being aware of stranger danger. It is essential for children to understand the following key points:

1. **Stay Alert:** Always be aware of your surroundings and never accept rides or gifts from strangers.
2. **Trust Your Instincts:** If something feels wrong, trust your feelings and seek help from a trusted adult.
3. **Buddy System:** Encourage your child to walk to and from school with a friend or a group.
4. **Safe Places:** Teach your child to identify safe places, such as homes of trusted neighbours or local shops, where they can go if they feel unsafe.

We encourage families to have open discussions about safety and to reinforce these messages regularly. Thank you for helping us keep our school community safe.

PSSA Upper Blue Mountains Zone Cross Country Carnival

Fortunately, on Friday, 30th May, the Zone Cross Country Carnival finally went ahead. Due to some poor weather over the past several weeks, there were multiple changes to the event. I would like to thank all families involved for their flexibility and Katoomba North Public School for opening their school to ensure the event went ahead. Congratulations to the Lawson Public School Blue Mountains PSSA Zone Cross Country team. We are all very proud of your achievements!

I would like to offer a very special congratulations to Hugo, who finished 2nd and Aurora who finished 4th. Both students will be invited to compete at the Sydney West carnival.

School Assembly – Violet Class

Our school will be conducting our next assembly for Term 2 on Friday, 6th June, from 1:50 PM. We warmly invite our community to join us at this assembly. Violet Class has been working hard in preparation for the assembly and is looking forward to presenting to you.

Futsal Gala Days

Students across Stage 2 and Stage 3 have been involved in the futsal trials and will have the opportunity to represent our school at the upcoming Futsal Gala Days. Congratulations to those students who have been selected, and thank you, Mr. Smith, for your work coordinating the teams. We wish the Lawson Public School teams well. The students will compete on the following days:

- Stage 3 – Friday, 13th June
- Stage 2 – Monday, 4th August

2026 School Enrolments

Kindergarten enrolments and all other enrolments for 2026 are currently being taken. In order for us to prepare our classes and ensure that equitable class numbers are maintained, it is essential that we have all the information needed leading into 2026 as early as possible. If you know of someone who is enrolling at Lawson Public School and has not yet done so, could you please pass on our school details? Additionally, if you have children in Kindergarten to Year 5 and are planning on moving at the end of the year, that information is also important.

I wish you a very happy and enjoyable fortnight ahead.

My kindest regards,

Mr Tony Jeff
Principal

School Student Travel

School student travel information for parents and students

School Travel Passes

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using School Opal cards must tap on and tap off in line with the [Opal terms of use](#).

This includes travel within the approved times between 6.30am and 7.00pm from Monday to Friday on school days only. Students must use their Child/Youth Opal card for any travel outside these times.

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

Entries for the National Songwriting Competition 2025 are now open!

School Category Prizes
as well as Individual Prizes

Free to enter and open to all school aged children

The Australian Children's Music Foundation's annual National Songwriting Competition is back for 2025 and entries are now OPEN!

It's the only free to enter songwriting competition for school aged children in the country because we believe every child should have the opportunity to express themselves through song.

All school-aged students from across Australia are encouraged to put pen-to-paper and enter their original song. This competition allows students to reflect and use music and song to find their voice in interpreting difficult circumstances, facing new challenges, or simply expressing feelings whether they be excitement, trepidation, happiness or sorrow.

School Category Prizes –

Students can write and enter their songs as part of class lessons, with the school band or with their school peers.

The School Prize will be awarded to the most creative and original entry.

The winning primary school entry receives \$500 to go towards instruments or a music experience.

There are also year group and overall competition prizes for individuals

Closing Date

All entries must be submitted online no later than midnight on September 15 2025. The ACMF reserves the right to extend this date under reasonable circumstances, at its discretion.

Entry Categories

You can enter either as a school, or independently. All entries, regardless of whether submitted as a school or independently, are eligible for the prizes that correspond to their school year group. Prizes specified as for school groups only will only be awarded to school entries. Entries may be either from an individual or a group/band

Entrants

All entrants must be school students aged 17 or younger (as of the original closing date of the competition, September 15 2025) .

The entrant must be a writer or co-writer (with another student aged 17 or younger) of the song entered.

Entrants must not have had assistance in the writing of the song from a person who is not a school student aged 17 or younger.

Multiple Composers

Songs may be written by school students working together in a group. If an entry is submitted by a group, the composition must be entered in the grade appropriate to the eldest songwriter.

Number of Entries

There is no limit to the number of individual songs students, bands or schools may enter but the same song cannot be entered into multiple categories. Each song entered must have its own entry form, and be accompanied by an MP3 or M4A audio file and accompanying song lyrics (lyrics are not needed for instrumental category works).

Eligibility

Entries must be the exclusive original work of the entrant(s) and must not infringe any copyrights or any other rights of third parties.

The use of Artificial Intelligence Applications to generate musical, production or lyrical elements of an entry is strictly forbidden. Entries made using AI will be deemed ineligible.

Entries must not have been previously entered in any competition.

Song entries must have both lyrics and music. Purely instrumental works must only be entered in the instrumental category.

Compositions that have been commercially released and/or are available for sale or monetisation through streaming channels are not eligible for entry.

Failure to properly and honestly complete any required sections of the entry form will make the entry ineligible.
